what if a girl from a far,  
far away country suddenly  
teleported into a place  
unkown to her?

A close-up photograph of a woman with long dark hair, wearing traditional Chinese Hanfu. She has a delicate makeup look with a subtle pink hue. A small, ornate gold chain with a teardrop pendant rests on her forehead. She is adorned with a headpiece featuring intricate gold filigree and pink flowers. Her eyes are closed, and she has a serene expression. A hand is visible on the right side of the frame, holding a white fan with a pink floral pattern. The background is a warm, reddish-orange color, possibly from a window or a red wall.

was everything real,  
or just a fleeting dream?
